

Send Your Spirit

Noel Robinson

Verse 1:

Across this land, there is a sound that's rising
Across this land, there is a cry that's echoing out
Across this land, there are hearts that are turning
Across this land, a fresh wind is blowing

Chorus:

Send Your Spirit now
Let Your Fire fall
Burn our hearts anew with
Holy passion
Let revival song
Spring up
Let the Holy Spirit come

Verse 2:

Across this land, there is an Army marching
Across this land, let Healing and Salvation flow
Across this land, Yes! Jesus' Name be Glorified
Across this land, Lord! Let the Church of God arise

Bridge:

Lord we pray: "Heal our land"
Light the flame that brings justice
Let Your mercy overflow
Let Your Kingdom come

Send Your Spirit now
Let Your Fire fall
